

It's **SO** Easy!

At each parish liturgy, a dedicated group of people help Father and other parishioners by serving as a Greeters/Ushers. It takes just a longer than the time normally spent at Mass.

Training will be offered during the school day. All volunteers will be assigned various masses throughout the school year.

If you feel called to serve in this ministry, please complete the form below and **return by September 1st**

Someone will contact you about scheduling.
