

## **H1N1 Follow-up Clinic to be held in mid- January**

Hamilton County Public Health will hold a second round H1N1 vaccination clinic at a central school location (to be determined) in your area in mid-January. The clinic is open to children nine and under who need a flu vaccination booster (second dose) and also to those school children (Kindergarten through grade 12) who missed the first round vaccination clinic (for any reason). In addition, it is open to all school staff (including teachers, substitute teachers, and all other support staff) who would like to receive the vaccination.

You will receive more specific information regarding this clinic, including the date, location, appointment time and required paperwork the first week of January. If you have questions regarding this clinic please send an email to [h1n1updates@hamilton-co.org](mailto:h1n1updates@hamilton-co.org).
