

*One scenario is not possible. Scenario 1...Status Quo....keep elementary education as it is, under the direction of each individual parish.*

*Scenario II...Schools are aligned solely in agreement with the Four Pastoral Regions being proposed for St. Margaret Mary Deanery.*

<b>Pastoral Region I</b>	<b>Pastoral Region II</b>	<b>Pastoral Region III</b>	<b>Pastoral Region IV</b>
St. Ignatius	St. Ann	Corpus Christi	St. Bartholomew
St. James White Oak	Assumption	St. John Neumann	Our Lady of the Rosary
	St. Clare	St. John the Baptist, Dry Ridge	St. James of the Valley
	St. Clement		St. Matthias
	St. Margaret Mary		St. Vivian
	Little Flower		

### **Questions for Consideration**

What do you know? What don't you know about the scenario?

How will people, especially our children, be affected (for better or worse) now and in the future?

What are the risks and benefits of the particular scenario?

How will this scenario foster involvement and commitment to parish/regional ministries and programs?

What are the financial considerations (good or bad) for the scenario?

### *Scenario III... Geographic*

#### *Based on three geographic sectors*

<b>Group A</b>	<b>Group B</b>	<b>Group C</b>
Assumption	St. Ignatius	St. Clare
St. Bartholomew	St. James White Oak	St. Clement
Corpus Christi	St. Ann	St. Margaret Mary
St. John Neumann	St. John the Baptist, Dry Ridge	Little Flower
St. James of the Valley		St. Vivian
St. Matthias		
Our Lady of the Rosary

*After reflecting on these questions for each of the three scenarios...*

- Prioritize the three solutions or clearly describe an alternative solution.
- Which scenario will maximize the good and minimize the harm?
- Which scenario will meet the needs of the schools now and into the future? ..  
Which scenario will best foster community and allow us to be the "Body of Christ"?

**Scenario IV...Phased Approach**

*Schools are grouped utilizing at risk ranking, geographic location and diversity of student population*
