

It's **SO** Easy!

At each parish liturgy, a dedicated group of parishioners help Father and parishioners by serving as a greeters/ushers. It takes just a longer than the time normally spent at Mass.

Training will be offered during the school day. All volunteers will be assigned various masses throughout the school year.

If you think you could help out with this ministry, please complete the form below and **return by September 14th.**

Someone will contact you about scheduling.
