

# CALLED TO SERVE

At each parish liturgy, a dedicated group of parishioners help Father distribute Communion serving as a Eucharist Minister; others proclaim the good news of Jesus Christ by serving as a lector and still others serve as greeters/users. It takes no longer than the time normally spent at Mass.

Training (if needed) will be offered individually to accommodate each participants schedules. All volunteers will be placed on the Sunday lists at the mass time of their choice.

If you think you could help out with either of these ministries, please complete the form below and return by September 13th.

*Someone will contact you about scheduling.*
